The purpose of this PDS

This PDS has been prepared to assist you in understanding this insurance and making an informed choice about your insurance requirements.

About this insurance

This insurance provides protection in the event that Your vehicle is deemed a Total loss through theft, fire or accident by Your comprehensive motor insurer, by insuring the difference between the Total loss payout and the Purchase price of Your vehicle, up to the Maximum benefit you select. The amount we pay includes any Remaining balance due to your Financier.

How to apply for insurance

Complete our application. If we accept your application for insurance, you will receive a Policy schedule that confirms cover and sets out details of the insurance you have taken out.

If you apply for this insurance and your answers to our questions are entered into our Internet based system, we will provide you with a copy of the questions we have asked and the answers you have provided relating to the assessment of your particular risk.

Current insurance

Before a claim is accepted under this insurance you must first have had a claim accepted by Your comprehensive motor insurer.

If you have no current comprehensive insurance at the time of Your vehicle becoming a Total loss, we will be unable to accept a claim under this insurance. We recommend that you keep Your comprehensive motor insurance policy current at all times this insurance is current.

General Insurance Code of Practice

Swann Insurance has adopted the General Insurance Code of Practice. The purpose of the code is to raise the standards of practice and service in the general insurance industry.

The objectives of the code are:

- ◆ to promote better, more informed relations between insurers and their customers,
- ◆ to improve consumer confidence in the general insurance industry,
- ◆ to provide better mechanisms for the resolution of complaints and disputes between insurers and their customers, and
- ◆ to commit insurers and the professionals they rely upon to higher standards of customer service.

If you would like more information about the code, please contact us.

Your duty of disclosure

What you need to tell us

You must tell us anything that you know, or should know, which could affect our decision to insure you and/or the terms on which to insure you. You must do this when you apply for insurance, renew your insurance or when you change or reinstate your insurance. When we ask you specific questions, you must answer these questions truthfully and in a way that a reasonable person in the circumstances would answer them. It is important that every person who will be insured by this insurance answers all questions in this way. These are requirements of the Insurance Contracts Act 1984.

What you do not need to tell us

You do not need to tell us anything that:

- ◆ reduces our risk,
- ◆ is of common knowledge,
- ◆ we know, or as an insurer should know, or
- ◆ we indicate that we do not want to know.

What will happen if you do not tell us

If you withhold relevant information or you do not answer our questions in the way we have described, we can reduce the amount we pay you for your claim, or we can cancel your insurance. If your failure to tell us is fraudulent, or your answers are untruthful, we can treat your insurance as if it never existed.

If you do not understand

If you do not understand your duty, please contact us.

Important information

The way we handle your personal information

We collect personal information from you for the purpose of providing you with insurance products, services, and processing and assessing claims.

You can choose not to provide this information, however, we may not be able to process your requests.

We may disclose information we hold about you to:

- ◆ other insurers,
- ◆ an insurance reference service,
- ◆ our service providers and/or advisers,
- ◆ any third party with whom you have been dealing in respect of this insurance and who referred you to Swann Insurance, and
- ◆ any other third party as permitted or required by law.

In the event of a claim, we may disclose information to and/or collect additional information about you from investigators or legal advisers.

When you apply for insurance you can select to receive offers of products and services which may be of benefit to you. During the Period of insurance we may, or any other organisation we authorise may, provide these offers. You may be contacted in writing, by phone or other electronic means. If you do not wish to receive these offers you can select not to receive them when you apply for this insurance, or you can contact us at any other time.

If you wish to update or access any information, please contact us.

Authority to act

Swann Insurance has relationships with authorised representatives and other licensees who sell Swann Insurance policies. Swann Insurance may pay remuneration to authorised representatives and other licensees when they sell Swann Insurance policies.

Your cooling-off period

If you decide that you do not wish to continue with this insurance, you have 21 days after the Commencement date of this insurance to request cancellation. To do this, you must advise us in writing. We will provide you with a full refund of Premium paid, providing you have not made a claim under this insurance.

Costs

The Premium payable by you will be shown on your Policy schedule.

The key factors that influence the Premium calculations are reflected in the questions asked, and information sought, at the time of your enquiry or application for insurance.

These include factors relating to:

- ◆ the frequency with which claims will occur and the average cost of each claim,
- ◆ the frequency of motor vehicle insurance claims that are for a Total loss,
- ◆ the level of cover you have selected,
- ◆ the value of Your vehicle,
- ◆ the Period of insurance,
- ◆ the changes in vehicle values, and
- ◆ payment of your Premium by instalments.

Premiums are subject to Commonwealth and State taxes and/or charges. These include the Goods and Services Tax and stamp duty. The amount of these taxes and/or charges will be shown on your Policy schedule.

If we are unable to issue your insurance when we receive your application, we are required to hold your Premium in a trust account on your behalf until your insurance can be issued. We will retain any interest payable by our bank to meet, among other things, bank fees and other bank costs we incur in operating the account.

Pay your Premium by instalments

You can pay your Premium by instalments to help spread your payment over the period of your insurance cover.

An administration charge will apply to use this facility. If you do choose to pay your Premium by instalments, your Premium will be more than if you choose to pay by a single annual payment.

If you are paying by instalments and an instalment is 14 days or more overdue, we may refuse a claim. We may cancel this insurance if the instalment is one month or more overdue. If we cancel your insurance where an instalment is unpaid, your insurance cover will end on the due date of the first unpaid instalment payment.

How to make a claim

Contact us on 1300 657 318 for a claim form as soon as you suffer a Total loss. You must fully complete the form, sign and return it to us as soon as possible. You must give us written statements and any other information we ask for to support your claim and provide assistance when required.

We may also request you to authorise:

- ◆ Your comprehensive motor insurer to release to us all documents relevant to any payout under Your comprehensive motor insurance policy.
- ◆ the Financier, if Your vehicle is financed, to release to us all documents relevant to verification of the amount you owe the Financier under the Loan contract.

What you must pay in the event of a claim

Premium

You must pay the full Premium (this includes any remaining instalments that are payable in the period of insurance) before we make any payments in relation to a claim on this insurance.

What you are required to do for us

You must inform us immediately if:

- ◆ you change your name or address.
- ◆ Your comprehensive motor insurer replaces Your vehicle following a Total loss and you wish to continue insurance cover on the replacement vehicle. You must provide details of the replacement vehicle to us.

When this insurance ends

The insurance ends as soon as one of the following occurs and you may be entitled to a refund provided you have contacted us:

- ◆ the insurance is cancelled.
- ◆ Your vehicle is no longer covered by a comprehensive motor insurance policy.
- ◆ the date your Premium instalment is 30 days overdue.

The insurance ends as soon as one of the following occurs and you will not be entitled to a refund:

- ◆ payment by us of a claim under this insurance.
- ◆ the earlier of:
 - three years from the Commencement date, or
 - when the Period of insurance shown in your Policy schedule ends.

Cancelling this insurance

You may cancel this insurance at any time by telling in writing. The cancellation is effective from the day we receive your written request.

We may cancel this insurance, by telling you in writing, only for reasons allowed under the law.

As the outstanding amount of your loan and the value of Your vehicle changes constantly, the amount of cover we provide varies during the Period of insurance. It is generally higher during the early years of the insurance and significantly lower during the final years. As a result, we will calculate any refund due reflecting the period of cover we have provided and the general changing risk profile during the Period of insurance.

If we receive your cancellation request within 21 days from the Commencement date, and you have not made a claim on the insurance, we will refund your Premium in full.

If you have obtained finance for the Premium, payments of refunded Premium will be made to the Financier or whomever the Financier directs us to pay.
